

You can reach our apartments directly from the airport using the highway which connects Thessaloniki with Chalkidiki

– HALKIDIKI / KASSANDRA / NEA MOUDANIA –  
– ΧΑΛΚΙΔΙΚΗ / ΚΑΣΣΑΝΔΡΑ / ΝΕΑ ΜΟΥΔΑΝΙΑ –

If you rent a car, you can pick it up directly from one of the numerous parking spots in front of the airport.

Take the road to Thessaloniki and stay on the right traffic lane. After a while you reach a cross section. It is recommended to stay on the right lane but drive straight ahead.

As you continue to drive you will see a sign on your right which leads you towards Nea Moudania, so you turn right, and you will find yourself on the highway to Kassandra (the apartments are about 87 km away)

You drive straight by Nea Moudania, Nea Potidaia, Nea Fokea, Athitos and then you will reach a roundabout quite before Kassandra and Kallithea. You stay on the right lane and take the second exit with direction Kallithea.

A while after entering the village of Kallithea you will reach a cross section with traffic lights. There you take a right turn.

The next village is Kriopigi and from there it's only 2-3 km until you reach your final destination.

There is a bus stop right on the spot where you have to turn right up the hill towards Peristeridi Apartments. You will also see a sign with our name.

On <http://www.youtube.com/watch?v=x6bwzIYAWsk> you can watch a video which shows you exactly the way from Kriopigi to our apartments.

Attention!

The speeding limit on the highway is 110 km/h and the traffic police might pull you over if you are not careful. There are also speeding control devices situated on the road which detect high velocity.
